

## Snorkeling in the Stream 7-6

**Start Date: 7/6/2018 10:00 AM**

**End Date: 7/6/2018 2:00 PM**

Explore the Davidson River looking for aquatic macro invertebrates! Based on what we find, we can determine the water quality of the river and will discuss how these little critters play such an important role in the ecosystem and to our beloved mountain trout! We'll have snorkels and masks available, so come prepared to get wet! Swimming clothing and towel is recommended. Ages 8 and up.
