

Introductory Fishing for Adults - April 2018

Start Date: 4/10/2018 6:00 PM

End Date: 4/11/2018 9:00 PM

Do you or a loved one want to go fishing but are unsure for lack of experience? Fishing can be fun but without the correct information it can be challenging and downright frustrating. This course will not only ease you into the fishing world but provide you with valuable information and skills easily shared with others. Learn the basics of what you'll need to get started, differences in equipment and helpful tricks and hints to navigating the world of fishing. Whether your fishing adventures take you to the coast, mountain, lake or pond feel comfortable that you will be proficient in deciphering what equipment and bait you'll need to bring along and how to use it.

This class will be taught in 2 sessions one on April 10th and the 2nd session being an on-the-water activity, on April 11th

The North Carolina Wildlife Resources Commission is providing this workshop free of charge with all materials included.
