Amphibians - New Bern- 3/28/18

This program takes place in New Bern at the Cool Springs Environmental Education Center from 9:00-4:00. Workshop and materials are FREE.

This workshop will include classroom and fieldwork to learn identification techniques, natural history, habitat requirements and human interactions with frogs, toads and salamanders. It will qualify for Component II of the NC OEE Environmental Education Certification credit and school teachers may receive CEU credit. It is open to the general public ages 16 and up, and pre-registration is required.
