

Wildlife Damage Control

Agent Workshop

This course is for the certification and re-certification of Wildlife Damage Control Agents. We have reserved a meeting room at Lake Wheeler for both courses. We will accept pre-registration ONLY. There will be no money accepted the day of the class. Thank you for expressing an interest in this course, however please understand that the demand for the Wildlife Damage Control Agent Certification Workshop is high. To insure getting a seat in the course please send in your registration form before the early registration deadline of **January 25th, 2010**. After the deadline has passed the registration will be open for interested new agents on a first come first serve basis.

The workshop will provide you with the rules and regulations that govern the WDCA program, information on euthanasia, safe handling of wildlife, and a variety of other information that will be useful for WDCA's. Agents must pass a closed book Certification examination and a criminal background check prior to being certified. Once you have received notification of certification you may begin operating in a WDCA capacity.

Wildlife Damage Control Agent Workshop

Location

The workshop will be held at Lake Wheeler Park in Raleigh, NC . Directions to the Center will be sent with your registration confirmation letter. Lodging is not included in the registration fee.

How to Register

To secure your place in the workshop, fill in the registration form and send us your non-refundable payment. **Registration and payment must be postmarked by January 25, 2010 to receive the \$175.00 registration fee, after January 25th the cost of the class will be \$200.00.** We will send you a letter of confirmation with a map and directions approximately 3 weeks prior to the workshop. The registration fee for the workshop includes the Prevention and Control of Wildlife Damage on CD-ROM, Handbook of the Rules and Regulations governing Damage Control Agents, test, facility, lunch and refreshment breaks for both days.

Re-certification and Certification Courses

Classes will begin promptly at 8:15 am and end at 5:00. All attendees should be on site no later than 8:00 am. The actual check-in process may take some time due to the issuance of daily materials. Once you have taken the examination you will no longer be required to remain on site.

No money will be accepted on the day of the class.

Upon registering a copy of the agenda will be included in your confirmation pack. We will also have all WDCA class information posted on-line as of February 1, 2010 at www.ncwildlife.org.

Reminder: All registration fees are non-refundable.

If the first Certification class fills then the overflow will be automatically placed into the second class.

A late fee of \$25.00 will be charged for registration applications postmarked after January 25, 2010. (Total cost will be \$200.00)
