Impact Summary: State Government: Yes
Local Government: No
Private Impact: No
Substantial Economic Impact: No

Authority: G.S. § 113 - 134

For reasons which are outlined below, WRC believes that these rule changes have a minimal fiscal impact pursuant to G.S. § 150B-21.4. An analysis of the proposed changes for the rules follows.

BACKGROUND

The wildlife resources of the State belong to the people of the State as a whole, including the enjoyment of these resources (G.S. § 113-131(a)). WRC is tasked with the conservation of wildlife resources of the State (G.S. § 143-239). This responsibility includes managing as equitably as possible the various competing interests regarding these resources, including the use and take of such resources (G.S. § 113-131.1(a)). The statutes governing wildlife resources are found in Chapter 113, Subchapter IV of the General Statutes, and WRC has been granted rulemaking authority to implement the provisions of these statutes (G.S. § 113-134).

As part of its mission, WRC conducts an annual review of its fish, wildlife, boating safety, and other regulations to determine whether such rules need to be adjusted in order to accomplish the objectives of: managing wildlife resources through a biologically sustainable harvest of such resources by hunters, trappers and anglers consistent with sound conservation objectives; ensuring the safety of the boating public; managing Commission-owned land for the

conservation of wildlife resources and the enjoyment of the public; and implementing legislative directives.

A summary of the proposed rule amendments is shown below, with the full text included in Appendix A.

15A NCAC 10B .0202 Bear

The proposed amendment to this rule will add Columbus County to the listed counties defining the location of Green Swamp Black Bear Sanctuary. Currently, this bear sanctuary is designated on the ground by posted signs in parts of both Brunswick and Columbus counties. However, existing rule incorrectly identifies the location as Brunswick County only. This proposed amendment will correct the current oversight in existing rule text and is necessary to ensure that rule text accurately reflects the location that is designated and posted on the ground.

Fiscal Impact

State Impact

This rule amendment will have no impact on state resources. Green Swamp Black Bear Sanctuary is already designated on the ground by a signed boundary, including that portion located in Columbus County.

Local Impact

The proposed amendment to this rule will have no local government impact.

Private Impact

Private individuals will incur no costs as a result of this proposed amendment.

15A NCAC 10D. 0102 General Regulations Regarding Use

There are two proposed amendments to this rule. The first modifies the definition of “Youth” from under 16 years of age to under 18 years of age. This proposed change will increase opportunities for participation in game land hunting events that are specifically designed to encourage youth participation. This proposed amendment is also consistent with the Wildlife Commission’s initiative to remove barriers to participation in resourced-based outdoor recreational activities.

The second change will limit consecutive nights stay in designated camping areas outside of the hunting seasons to no more than 14 out of any 30-day period on those game lands where the North Carolina Wildlife Resources Commission is the primary custodian. This proposed amendment will provide law enforcement with an applicable rule to address issues associated with “homesteading” on designated hunter camping areas (e.g. trash accumulation, human waste disposal, conflicts with other game land users and adjacent landowners), and is necessary to correct associated problems.

Fiscal Impact

State Impact

This rule amendment is anticipated to have a limited positive effect on state resources. Increasing the maximum age associated with youth hunters will also increase the qualified pool of applicants applying for permit-only youth hunting opportunities. There is a \$5 nonrefundable administrative fee associated with each permit hunt application. Although there is no way to quantify the actual outcome, it is anticipated that the collection of administrative permit hunt fees will increase, as a result of an associated increase in the number of applications for youth permit hunts.

Prohibiting “homesteading” in designated game land camping areas will reduce time that land management and enforcement staff spend addressing associated issues and responding to related complaints from other game land users and adjacent landowners. The staff time savings cannot be quantified due to uncertainty about rates of compliance with the proposed amendment.

Local Impact

The proposed amendment to this rule will have no local government impact.

Private Impact

The public will benefit from increased opportunities for youth involvement in hunting events and an increased awareness of natural resource use activities and conservation efforts in the state.

Campers exceeding the 14-day limit imposed by this rule may incur a cost due to this restriction. However, other individuals utilizing the game lands, as well as adjacent landowners will likely benefit from avoided negative environmental impacts and decreased conflicts between users.

15A NCAC 10D. 0103 Hunting on Game Lands

The proposed changes to this rule cover multiple general topic areas as follows: use of vessels, establishment of new game lands, target shooting, use of bicycles, permit requirements, either-sex deer seasons, and administrative changes.

Use of Vessels

This proposed amendment will restrict the use of vessels on managed waterfowl impoundments on Suggs Mill Pond Game Land to permitted waterfowl hunters only from November 1 through March 15, and except for Sundays, will apply the same restrictions to Suggs Mill Pond Lake and Little Singletary Lake from November 1 through January 31. This proposed change is necessary to reduce user conflicts between waterfowl hunters and other users (primarily paddlers), minimize disturbance to waterfowl during critical times of the year, and increase the margin of safety during waterfowl hunting seasons.

Fiscal Impact

State Impact

This rule amendment is anticipated to have a limited positive effect on state resources. Waterfowl hunting on Suggs Mill Pond Game Land is limited to permit-only opportunities, which requires a \$5 nonrefundable administrative fee for each permit hunt application. Although the actual fiscal benefit cannot be quantified, it is anticipated that reducing the potential for conflicts may encourage additional applications for waterfowl hunts on this game land, which will result in increased collection of administrative permit hunt fees. Reducing the number of user conflicts will decrease staff time required to address associated complaints.

Local Impact

This proposed change is anticipated to have no impact on local government resources.

Private Impact

Private individuals will incur the cost associated with restrictions on available recreation opportunities. However, the public will benefit from increased safety and fewer conflicts between hunters and paddlers.

Establishment of New Game Lands

This proposed amendment will establish four new game lands, to include: Voice of America Game Land in Beaufort County, Hill Farm Game Land in Stokes County, Rendezvous Mountain Game Land in Wilkes County, and William H. Silver Game Land in Haywood County. Proposed amendments are necessary to designate these new properties as game land and to establish appropriate rules for management and use.

Fiscal Impact

State Impact

The one-time fiscal impact to the state for acquisition of the new game lands was \$530,000. Additionally, the Voice of America tract will require structure removal, which is estimated as a one-time cost of \$80,000. The direct fiscal impact to state resources is anticipated to average approximately \$10,000 per year to establish and maintain boundary markings to facilitate public identification of property locations on the ground (20 miles/year x \$150/mile = \$3,000/year), maintain gates to control vehicles (4 gates x \$500/year = \$2,000/year), and provide parking areas to facilitate public access (2 parking areas x \$2,500/year = \$5,000/year).

Local Impact

Uses associated with the provision of new game lands are anticipated to result in positive impacts to local governments and private business owners as a result of ancillary expenditures by game land users (food, lodging, fuel, etc.).

Private Impact

It is not anticipated that individuals will incur any costs related to the proposed changes. The benefits of game lands to the public include increased opportunities for hunting, trapping, fishing

and wildlife observation, brought about by the permanent conservation of lands that provide suitable habitat for both common and rare species.

Target Shooting

This proposed amendment will restrict all target shooting on Uwharrie Game Land to the existing designated shooting range facility. This change is necessary to improve overall safety and reduce undesirable impacts to game land resources, game land users, and adjacent landowners by restricting recreational shooting to a safe location that is specifically designed and constructed for that purpose.

Fiscal Impact

State Impact

This rule amendment is anticipated to have a limited positive effect on state resources by reducing staff time required to address issues associated with indiscriminate recreational shooting. A \$3 daily use fee or a \$30 annual pass is required to use the shooting range facility. Collected fees are used to offset the cost of operating and maintaining the range. A nominal increase in the collection of use fees is anticipated, but there is no mechanism to determine how many shooters will choose to use the existing facility as opposed to finding a different non-game land location to shoot.

Local Impact

This proposed amendment will have no local government impact.

Private Impact

There will be a direct impact of \$3/day or \$30/year for private individuals who choose to shoot in the designated range. There will also be a cost to individuals who are deterred from shooting on the game land but the agency has no mechanism to quantify that cost.

Bicycles

Except for hunters engaged in the act of hunting, this proposed amendment will restrict the use of bicycles to Sundays only from September 1 through May 14 on designated bicycle riding areas on Butner-Falls of Neuse Game Land. This proposed change is necessary to reduce conflicts between recreational bike riders and hunters during the hunting seasons.

Fiscal Impact

State Impact

The proposed amendment may have a limited positive impacts on state resources by reducing staff time required to address conflicts related to bike riding during hunting seasons.

Local Impact

No impact is anticipated for local governments.

Private Impact

Private individuals will incur a cost associated with restrictions on bike riding. However, the public will benefit from improved recreational experiences with fewer conflicts and increased safety.

Permit Requirements

This proposed change will remove the permit requirements for hunting deer and bear on Pond Mountain Game Land. This modification is necessary to remove a requirement that is no longer necessary. At the time of acquisition, the Pond Mountain Game Land property contained a large Christmas tree farm. A lease agreement was established with the former owners, to include permit restrictions for deer and bear, to address safety and security concerns related to harvesting the remaining trees. All trees have been harvested and the permit restrictions for hunting deer and bear are no longer necessary.

Fiscal Impact

State Impact

Direct impact to state resources will involve the loss of administrative fees associated with permit hunt applications. Loss of associated revenue totals approximately \$1,000 per year, based on the \$5 administrative fee that will no longer be collected for each of the 200 permits currently issued for deer and bear hunting on Pond Mountain Game Land.

Local Impact

No impact is anticipated for local governments.

Private Impact

Private individuals will incur no related costs. Hunters will benefit by no longer being required to pay the \$5 application fee associated with permit hunt opportunities. The avoided costs total approximately \$1,000 per year.

Administrative

This proposed change will remove NC Administrative Code text which establishes Cherokee Game Land in Ashe County. This change is necessary to remove text which is no longer necessary. Cherokee Game Land and Pond Mountain Game Land are separated by a single property which has been offered to the Wildlife Resources Commission as a donation. Once the donation transaction is completed, there will be no need to manage these contiguous tracts as separate game lands. Both properties will be combined with the donated parcel and managed as Pond Mountain Game Land.

Fiscal Impact

State Impact

The proposed amendment is administrative and is not anticipated to have a state impact.

Local Impact

No impact is anticipated for local governments.

Private Impact

It is not anticipated that individuals will incur any costs related to the proposed changes.

The benefits of game lands to the public include increased opportunities for hunting, trapping, fishing and wildlife observation, brought about by the permanent conservation of lands that provide suitable habitat for both common and rare aquatic and terrestrial wildlife species.

Deer

This proposed change will modify the either-sex deer season structure on Bullard and Branch Hunting Preserve and on Robeson County Game Land from moderate to maximum. These two game lands are located in Robeson County, where the either-sex deer season on private lands was modified from moderate to maximum several years ago, based on assessments that indicated the deer population in that area was stable and could withstand the additional harvest. The game land either sex seasons should have been modified at the same time for consistency, but was overlooked. This proposed change will correct that oversight.

Fiscal Impact

State Impact

The proposed amendment is not anticipated to have a state impact.

Local Impact

No impact is anticipated for local governments.

Private Impact

This amendment benefits individuals by providing additional opportunities to hunt.

15A NCAC 10D .0102 GENERAL REGULATIONS REGARDING USE

(a) For purposes of this Subchapter, the following definitions apply:

- (1) "Permanent Hunting Blind" means any structure that is used for hunter concealment, constructed from manmade or natural materials, and that is not disassembled and removed at the end of each day's hunt.

- (3) "Youth" means individuals under ~~16~~18 years of age.

(b) Trespass. Entry on game lands for purposes other than hunting, trapping, or fishing shall be as authorized by the landowner. The Wildlife Resources Commission has identified the following areas on game lands that have additional restrictions on entry or usage:

- (1) Archery Zone. On portions of game lands posted as "Archery Zones" hunting is limited to bow and arrow hunting and falconry only. On these areas, deer of either sex may be taken on all open days of any applicable deer season.

- (3) Restricted Firearms Zone. On portions of game lands posted as "Restricted Firearms Zones" the use of centerfire rifles is prohibited.
- (4) Restricted Zone. Portions of game lands posted as "Restricted Zones" are closed to all use by the general public, and entry upon such an area for any purpose is prohibited without first having obtained written approval of such entry or use from an authorized agent of the Wildlife Resources Commission. Entry shall be authorized only when such entry will not compromise the primary purpose for establishing the Restricted Zone and the person or persons requesting entry are able to demonstrate a valid need or such person is a contractor or agent of the Commission conducting official business. "Valid need" includes issues of access

to private property, scientific investigations, surveys, or other access to conduct activities in the public interest.

- (5) Temporary Restricted Zone. Portions of game lands posted as "Temporary Restricted Zones" are closed to all use by the general public, and entry upon such an area for any purpose is prohibited without first having obtained written approval of such entry or use from an authorized agent of the Wildlife Resources Commission. An area of a game land shall be declared a Temporary Restricted Zone when there is a danger to the health or welfare of the public due to topographical features or activities occurring on the area.

- (8) Day Use Only Zone. On portions of game lands posted as "Day Use Only Zones" ~~for~~ use by the general public shall be prohibited from sunset to sunrise.

The Commission shall conduct a public input meeting in the area where the game land is located before establishing the following zones: archery, restricted firearms, restricted zone, restricted deer hunting, or day use only. After the input meeting, the public comments shall be presented at an official Commission meeting for final determination.

(c) Littering. No person shall deposit any litter, trash, garbage, or other refuse at any place on any game land except in receptacles provided for disposal of such refuse at designated camping and target-shooting areas. No garbage dumps or sanitary landfills shall be established on any game land by any person, firm, corporation, county or municipality, except as permitted by the landowner.

- (2) any weapon within 150 yards of any residence located on or adjacent to game lands, except on Butner-Falls of Neuse and Jordan game lands; and
- (3) any firearm within 150 yards of any residence located on or adjacent to Butner-Falls of Neuse and Jordan Game Lands.

Every individual carrying a concealed handgun shall adhere to the requirements set forth in G.S. 14-415.11, even if the state issuing the concealed handgun permit is not North Carolina. On Butner-Falls of Neuse, Jordan, Kerr Scott, and Vance game lands, no person shall possess loaded firearms, ammunition, bows and arrows, crossbows, or other weapons except as provided in the Code of Federal Regulations, Title 36, Chapter III, Part 327.13, and may be found at: <http://www.ecfr.gov/cgi-bin/text->

idx?SID=75b0c14fb2c26906cf64a267eb69b052&mc=true&node=se36.3.327_113&rgn=div8, in accordance with G.S. 150B-21.6. On Buckhorn, Chatham, Harris, Hyco, Lee, Mayo, and Sutton Lake game lands; Pee Dee River Game Land north of U.S. 74; and that portion of R. Wayne Bailey- Caswell Game Land that is located north of U.S. 158 and east of N.C. 119, no person shall possess a firearm during closed hunting seasons or closed hunting days for game birds or game animals, except under the following conditions:

- (1) the firearm is a .22 caliber pistol with a barrel not greater than seven and one-half inches in length and shooting only short, long, or long rifle ammunition carried as a side arm;
- (2) the firearm is cased or not immediately available for use;
- (3) the firearm is used by persons participating in field trials on field trial areas; or
- (4) the firearm is possessed in designated camping areas for defense of persons and property.

(e) Game Lands License: Hunting and Trapping

- (1) Requirement. Except as provided in Subparagraph (4) of this Paragraph, any person entering upon any game land for the purpose of hunting, trapping, running dogs, or training dogs using wildlife shall have in his or her possession a game lands license in addition to the appropriate hunting or trapping license, or a license that conveys the game land use privilege.
- (2) For commission-sanctioned field trials, active participants (as defined in 15A NCAC 10B .0114) in a field trial using wildlife shall possess a game lands license in addition to the appropriate North Carolina hunting license, or a license that conveys the game land use privilege, except non-residents may substitute hunting licenses from their state(s) of residence.
- (3) For any other field trial using wildlife occurring on game lands, judges and active participants shall possess a game lands license in addition to the appropriate North Carolina hunting license, or a license that conveys the game land use privilege.
- (4) Exceptions:
 - (A) a person under 16 years of age may hunt on game lands on the license of his parent or legal guardian;
 - (B) on the game lands described in Rule .0103(e)(1) of this Section, the game lands license is required only for hunting doves; all other activities are subject to the control of the landowners.

(f) Field Trials and Training Dogs. Any individual or organization sponsoring a field trial on the Sandhills Field Trial area or the Laurinburg Fox Trial facility, shall file with the Commission an application to use the area and facility accompanied by the facility use fee computed at the rate of two hundred dollars (\$200.00) for each scheduled day of the trial. The total facility use fee shall cover the period from 12:00 noon of the day preceding the first scheduled day of the trial to 10:00 a.m. of the day following the last scheduled day of the trial. The facility use fee shall be paid for all intermediate days on which for any reason trials are not run but the building or facilities are

used or occupied. A fee of seventy-five dollars (\$75.00) per day shall be charged to sporting, educational, or scouting groups for scheduled events utilizing the club house only. No person or group of persons or any other entity shall enter or use in any manner any of the physical facilities located on the Sandhills Field Trial area or the Laurinburg Fox Trial facility without first having obtained written approval of such entry or use from an authorized agent of the Wildlife Resources Commission, and no such entry or use of any such facility shall exceed the scope of or continue beyond the approved use. The Sandhills Field Trial facilities shall be used only for field trials scheduled with the approval of the Wildlife Resources Commission. No more than 16 days of field trials may be scheduled for occurrence on the Sandhills facilities during any calendar month, and no more than four days may be scheduled during any calendar week; provided, that a field trial requiring more than four days may be scheduled during one week upon reduction of the maximum number of days allowable during some other week so that the monthly maximum of 16 days is not exceeded. Before October 1 of each year, the North Carolina Field Trial Association or other organization desiring use of the Sandhills facilities between October 22 and November 18 and between December 3 and March 31 shall submit its proposed schedule of such use to the Wildlife Resources Commission for its consideration and approval. The use of the Sandhills Field Trial facilities at any time by individuals for training dogs is prohibited; elsewhere on the Sandhills Game Lands dogs may be trained only on Mondays, Wednesdays, and Saturdays from October 1 through April 1. Dogs may not be trained or permitted to run unleashed from April 1 through August 15 on any game land located west of I-95, except when participating in field trials sanctioned by the Wildlife Resources Commission. Dogs may not be trained or permitted to run unleashed from March 15 through June 15 on any game land located east of I-95, except when participating in field trials sanctioned by the Wildlife Resources Commission. Additionally, on game lands located west of I-95 where special hunts are scheduled for sportsmen participating in the Disabled Sportsman Program, dogs may not be trained or allowed to run unleashed during legal big game hunting hours on the dates of the special hunts. A field trial shall be authorized when such field trial does not conflict with other planned activities on the Game Land or field trial facilities, and the applying organization can demonstrate their experience and expertise in conducting genuine field trial activities. Entry to physical facilities, other than by field trial organizations under permit, shall be granted when they do not conflict with other planned activities previously approved by the Commission and they do not conflict with the mission of the agency.

(g) Trapping. Subject to the restrictions contained in 15A NCAC 10B .0110, .0302 and .0303, trapping of furbearing animals is permitted on game lands during the applicable open seasons, except that trapping is prohibited:

- (1) on the field trial course of the Sandhills Game Land;
- (2) in posted "safety zones" located on any game land;
- (3) by the use of bait on the National Forest Lands bounded by the Blue Ridge Parkway on the south, US 276 on the north and east, and NC 215 on the west;
- (4) on the John's River Waterfowl Refuge in Burke County; and
- (5) on the DuPont State Forest Game Lands.

On those areas of state-owned land known collectively as the Roanoke River Wetlands controlled trapping is allowed under a permit system.

(h) Vehicular Traffic. No person shall drive a motorized vehicle on any game land except on those roads constructed, maintained, and opened for vehicular travel and those trails posted for vehicular travel, unless such person:

- (1) is driving in the vehicle gallery of a scheduled bird dog field trial held on the Sandhills Game Land; or
- (2) is a disabled sportsman as defined in Paragraph (k) of this Rule or holds a Disabled Access Program Permit as described in Paragraph (m) of this Rule and is abiding by the rules described in Paragraph (m).

(i) Camping. ~~No person shall camp on any game land except on an area designated by the landowner for camping.~~

- (1) No person shall camp on any game land except on an area designated by the landowner for camping.
- (2) On game lands owned by the State of North Carolina, where the North Carolina Wildlife Resources Commission is the primary custodian, the maximum period of consecutive overnight camping at any designated camping area is 14 days within any 30-day period from May 1 through August 31. After 14 consecutive days of camping, all personal belongings must be removed from the game land.

(j) Swimming. Swimming is prohibited in the lakes located on the Sandhills Game Land.

(k) Disabled Sportsman Program. In order to qualify for permit hunts for disabled sportsmen offered by the Commission and use of designated blinds during those hunts, an individual shall possess a Disabled Veteran Sportsman license, a Totally Disabled Sportsman license, or a disabled sportsman hunt certification issued by the Commission. In order to qualify for the certification, the applicant shall provide medical certification of one or more of the following disabilities:

- (1) missing 50 percent or more of one or more limbs, whether by amputation or natural causes;
- (2) paralysis of one or more limbs;
- (3) dysfunction of one or more limbs rendering the person unable to perform the task of grasping and lifting with the hands and arms or unable to walk without mechanical assistance, other than a cane;
- (4) disease, injury, or defect confining the person to a wheelchair, walker, or crutches; or
- (5) deafness.

On game lands where the privileges described in Paragraph (m) of this Rule apply, participants in the program may operate electric wheel chairs, all terrain vehicles, or other passenger vehicles:

- (1) on ungated or open-gated roads normally closed to vehicular traffic; and
- (2) on any Commission-maintained road open for vehicular travel and those trails posted for vehicular travel.

Each program participant may be accompanied by one companion provided such companion has in his possession the companion card issued by the Commission. Hunters who qualify under the Disabled Sportsman Program and their companions may access special hunting blinds for people with disabilities during regularly scheduled, non-permit hunting days on a first come basis, except for those blinds located on the Restricted Area of Caswell Game Land.

(l) Release of Animals and Fish. It is unlawful to release pen-raised animals or birds, wild animals or birds, domesticated animals, except hunting dogs and raptors where otherwise permitted for hunting or training purposes, or feral animals, or hatchery-raised fish on game lands without prior written authorization. It is unlawful to move wild fish from one stream to another on game lands without prior written authorization. Written authorization shall be given when release of such animals is determined by a Wildlife Resources Commission biologist not to be harmful to native wildlife in the area and such releases are in the public interest or advance the programs and goals of the Wildlife Resources Commission.

(m) Non-Highway Licensed Vehicles. It is unlawful to operate motorized land vehicles not licensed for highway use on Game Lands except for designated areas on National Forests. Disabled persons as defined in Paragraph (k) of this Rule and people who have obtained a Disabled Access Program permit are exempt from the previous sentence but shall comply with the terms of their permit. Furthermore, disabled persons, as defined under the federal Americans with Disabilities Act (42 U.S.C. 126) may use wheelchairs or other mobility devices designed for indoor pedestrian use on any area where foot travel is allowed.

(n) Disabled Access Program. Permits issued under this program shall be based upon medical evidence submitted by the person verifying that a handicap exists that limits physical mobility to the extent that normal utilization of the game lands is not possible without vehicular assistance. Persons meeting this requirement may operate electric wheel chairs, all terrain vehicles, and other passenger vehicles on any Commission-maintained road open for vehicular travel and those trails posted for vehicular travel and ungated or open-gated roads otherwise closed to vehicular traffic on game lands owned by the Wildlife Resources Commission and on game lands whose owners have agreed to such use. Those game lands, or parts thereof, where this Paragraph applies are designated in the game land rules and map book. This Paragraph does not permit vehicular access on fields, openings, roads, paths, or trails planted for wildlife food or cover. One companion, who is identified by a companion card issued to each qualified disabled person, may accompany a disabled person to provide assistance, provided the companion is at all times in visual or verbal contact with the disabled person. The companion may participate in all lawful activities while assisting a disabled person, provided license requirements are met. Any vehicle used by a qualified disabled person for access to game lands under this provision shall display the vehicular access permit issued by the Wildlife Resources Commission in the passenger area of the vehicle where it can easily be seen by Commission staff outside the vehicle. It is unlawful for anyone other than disabled persons as defined in Paragraph (k) of this Rule and those holding a Disabled Access Permit to hunt, during waterfowl season, within 100 yards of a waterfowl blind designated by the Wildlife Resources Commission as a Disabled Sportsman's hunting blind.

All other uses, including camping, building fires, operating concessions or other activities not directly involved with recreational or competitive shooting are prohibited, except for activities that have been approved by the Commission and for which a permit has been issued may be conducted, provided that the permit authorizing such activity is available for inspection by wildlife enforcement officers at the time the activity is taking place. No person, when using any shooting range, shall deposit any debris or refuse on the grounds of the range. This includes any items used as targets, except that clay targets broken on the range, by the shooter, may be left on the grounds where they fall. No person shall shoot any items made of glass on the grounds of the range. No person may leave any vehicle or other obstruction in such a location or position that it will prevent, impede, or inconvenience the use by other persons of any shooting range. No person shall leave parked any vehicle or other object at any place on the shooting range other than such a place or zone as is designated as an authorized parking zone and posted or marked as such. No person shall handle any firearms or bow and arrow on a shooting range in a careless or reckless manner. No person shall intentionally shoot into any target holder, post, or other permanent fixture or structure while using a shooting range. No person shall shoot a firearm in a manner that would cause any rifled or smoothbore projectiles to travel off of the range, except that shotgun shot, size No. 4 or smaller may be allowed to travel from the range if it presents no risk of harm or injury to any person(s). Persons using a shooting range shall obey posted range safety rules and those persons who violate range safety rules or create a public safety hazard shall leave the shooting range if directed to by law enforcement officers or to leave by Commission employees. No person shall handle any firearms on a shooting range while under the influence of an impairing substance. The consumption of alcohol or alcoholic beverages on a shooting range is prohibited. Open days and hours of operation shall be designated on signs and at least one of such signs will be posted at the entrance to each shooting range.
