15A NCAC 10H .0301 General Requirements is proposed for temporary amendment as follows:

15A NCAC 10H .0301 GENERAL REQUIREMENTS

- (a) Captivity Permit or License Required
 - (1) Requirement. The possession of any species of wild animal that is or once was native to this State or any species of wild bird, native or migratory, that naturally occurs or historically occurred in this State or any member of the family Cervidae is unlawful unless the institution or individual in possession obtains from the North Carolina Wildlife Resources Commission (Commission) a captivity permit or a captivity license as provided by this Rule.
 - (2) Injured, Crippled or Orphaned Wildlife. When an individual has taken possession of an injured, crippled or orphaned wild animal or wild bird, that individual shall contact the Commission within 24 hours of taking possession in order to apply for a captivity permit, provided, however, that under no circumstances shall an individual take possession of an injured, crippled or orphaned wild turkey, black bear, deer, elk or any other member of the family Cervidae except as described in Subparagraph (3) of this Paragraph.
 - (3) Rehabilitation of white-tailed deer fawns. An individual may apply to the Commission to become a permitted white-tailed deer fawn rehabilitator for the State of North Carolina. Individuals deemed to be qualified according to this Section to rehabilitate injured or orphaned fawns may receive a captivity permit to possess fawns only for such a period of time as may be required for the rehabilitation and release of the fawns to the wild. These captivity permits apply only to wild white-tailed deer fawns and are available only to individuals recognized by the Commission as white-tailed deer fawn rehabilitators.
- (b) Captivity Permit. A captivity permit shall be requested by mail, phone, facsimile or electronic transmission or in person. A captivity permit authorizes possession of the animal or bird only for such period of time as may be required for the rehabilitation and release of the animal or bird to the wild; or to obtain a captivity license as provided by Paragraph (c) of this Rule, if such a license is authorized; or to make a proper disposition of the animal or bird if the application for such license is denied, or when an existing captivity license is not renewed or is terminated. Captivity permits shall not be issued for wild turkey or black bear, turkey, black bear, deer, elk or any other member of the family Cervidae except as described in Subparagraph (a)(3) of this Rule.
- (c) Captivity License.
 - (1) The purpose of captivity license is to provide humane treatment for wild animals or wild birds that are unfit for release or for possession of cervids. release. For purposes of this Rule, wild animals are considered "unfit" if they are incapacitated by injury or otherwise; if they are a non-native species that poses a risk to the habitat or to other species in that habitat; or if they have been rendered tame by proximity to humans to the extent that they cannot feed or care for themselves without human assistance. Persons interested in obtaining a captivity license shall contact the Commission for an application.

| 1 | (2) | Denial of captivity license. Circumstances or purposes for which a captivity license shall not be |
|----|-----|--|
| 2 | | issued include the following: |
| 3 | | (A) For the purpose of holding a wild animal or wild bird that was acquired unlawfully. |
| 4 | | (B) For the purpose of holding the wild animal or wild bird as a pet. For purposes of this |
| 5 | | Rule, the term "pet" means an animal kept for amusement or companionship. The term |
| 6 | | shall not be construed to include cervids held in captivity for breeding for sale to another |
| 7 | | licensed operator. |
| 8 | | (C) For the purpose of holding wild animals or wild birds for hunting in North Carolina. |
| 9 | | (D) For the purpose of holding wild turkey or black bear. |
| 10 | | (E) For the purpose of holding deer, elk or any other member of the family Cervidae, except |
| 11 | | current licenses which may be renewed as specified in Subparagraph (6) of this |
| 12 | | Paragraph. |
| 13 | (3) | Required Facilities. No captivity license shall be issued until the applicant has constructed or |
| 14 | | acquired a facility for keeping the animal or bird in captivity that complies with the standards set |
| 15 | | forth in Rule .0302 of this Section and the adequacy of such facility has been verified on |
| 16 | | inspection by a representative of the Commission. |
| 17 | (4) | Term of License |
| 18 | | (A) Dependent Wildlife. If the wild animal or wild bird has been permanently rendered |
| 19 | | incapable of subsisting in the wild, the license authorizing its retention in captivity shall |
| 20 | | be an annual license terminating on December 31 of the year for which issued. |
| 21 | | (B) Rehabilitable Wildlife. When the wild animal or wild bird is temporarily incapacitated, |
| 22 | | and may be rehabilitated for release to the wild, any captivity license that is issued shall |
| 23 | | be for a period less than one year as rehabilitation may require. |
| 24 | | (C) Concurrent Federal Permit. No State captivity license for an endangered or threatened |
| 25 | | species or a migratory bird, regardless of the term specified, shall operate to authorize |
| 26 | | retention thereof for a longer period than is allowed by any concurrent federal permit that |
| 27 | | may be required for retention of the bird or animal. |
| 28 | (5) | Holders of Captivity License for cervids. |
| 29 | | (A) Inspection of records. The licensee shall make all records pertaining to tags, licenses or |
| 30 | | permits issued by the Commission available for inspection by the Commission at any |
| 31 | | time during normal business hours, or at any time an outbreak of Chronic Wasting |
| 32 | | Disease (CWD) is suspected or confirmed within five miles of the facility or within the |
| 33 | | facility itself. |
| 34 | | (B) Inspection. The licensee shall make all enclosures at each licensed facility and the |
| 35 | | record-book(s) documenting required monitoring of the outer fence of the enclosure(s) |
| 36 | | available for inspection by the Commission at any time during normal business hours, or |
| | | • |

| 1 | | at any time an outbreak of CWD is suspected or confirmed within five miles of the |
|----|-----|--|
| 2 | | facility or within the facility itself. |
| 3 | (C) | Fence Monitoring Requirement. The fence surrounding the enclosure shall be inspected |
| 4 | | by the licensee or licensee's agent once a week during normal weather conditions to |
| 5 | | verify its stability and to detect the existence of any conditions or activities that threaten |
| 6 | | its stability. In the event of severe weather or any other condition that presents potential |
| 7 | | for damage to the fence, inspection shall occur every three hours until cessation of the |
| 8 | | threatening condition, except that no inspection is required under circumstances that |
| 9 | | threaten the safety of the person conducting the inspection. |
| 10 | (D) | A record-book shall be maintained to record the time and date of the inspection, the name |
| 11 | | of the person who performed the inspection, and the condition of the fence at time of |
| 12 | | inspection. The person who performs the inspection shall enter the date and time of |
| 13 | | detection and the location of any damage threatening the stability of the fence. If damage |
| 14 | | has caused the fence to be breachable, the licensee shall enter a description of measures |
| 15 | | taken to prevent ingress or egress by cervids. Each record-book entry shall bear the |
| 16 | | signature or initials of the licensee attesting to the veracity of the entry. The record-book |
| 17 | | shall be made available to inspection by a representative of the Commission upon request |
| 18 | | during normal business operating hours. |
| 19 | (E) | Maintenance. Any opening or passage through the enclosure fence that results from |
| 20 | | damage shall, within one hour of detection, be sealed or otherwise secured to prevent a |
| 21 | | cervid from escape. Any damage to the enclosure fence that threatens its stability shall |
| 22 | | be repaired within one week of detection. |
| 23 | (F) | Escape. When a licensee discovers the escape of any cervid from the facility, the |
| 24 | | licensee or designee shall report within 24 hours the escape to the Commission. If |
| 25 | | possible, the escaped cervid shall be recaptured alive. If live recapture is not possible, the |
| 26 | | licensee shall request a wildlife take permit and take the escaped cervid pursuant to the |
| 27 | | terms of the permit. A recaptured live cervid shall be submitted to the Commission for |
| 28 | | CWD testing using a test recognized by the Southeastern Cooperative Wildlife Disease |
| 29 | | Study unless the executive director determines that the risk of CWD transmission as a |
| 30 | | result of this escape is negligible based upon: |
| 31 | | (i) amount of time the escaped cervid remained out of the facility; |
| 32 | | (ii) proximity of the escaped cervid to wild populations; |
| 33 | | (iii) known susceptibility of the escaped cervid species to CWD; |
| 34 | | (iv) nature of the terrain in to which the cervid escaped. |
| 35 | (G) | Chronic Wasting Disease (CWD) |
| 36 | | (i) Detection. Each licensee shall notify the Commission within 24 hours if any |
| 37 | | cervid within the facility exhibits clinical symptoms of CWD or if a quarantine |
| | | , , , , |

| 1 | | | is placed on the facility by the State Veterinarian. All captive cervids that |
|----|-------------|---------|---|
| 2 | | | exhibit symptoms of CWD shall be tested for CWD. |
| 3 | | (ii) | Cervid death. The carcass of any captive cervid that was 12 -six months or older |
| 4 | | | at time of death shall be transported and submitted by the licensee or his |
| 5 | | | designee to a North Carolina Department of Agriculture diagnostic lab for CWD |
| 6 | | | evaluation within 48 hours of the cervid's death, or by the end of the next |
| 7 | | | business day, whichever is later. Ear tags distributed by the Commission and |
| 8 | | | subsequently affixed to the cervids as required by this Rule, may not be removed |
| 9 | | | from the cervid's head prior to submitting the head for CWD evaluation. |
| 10 | | (iii) | The Commission shall require testing or forfeiture of cervids from a facility |
| 11 | | | holding cervids in this state should the following circumstances or conditions |
| 12 | | | occur: |
| 13 | | | (I) The facility has transferred a cervid that is received by a facility in |
| 14 | | | which CWD is confirmed within five years of the cervid's transport |
| 15 | | | date and that transferred cervid has tested positive for CWD or the test |
| 16 | | | for CWD was inconclusive or the transferred cervid was no longer |
| 17 | | | available for testing. |
| 18 | | | (II) The facility has received a cervid that originated from a facility in |
| 19 | | | which CWD has been confirmed within five years of the cervid's |
| 20 | | | transport date and that received cervid has tested positive for CWD or |
| 21 | | | the test for CWD was inconclusive or the received cervid was no longer |
| 22 | | | available for testing. |
| 23 | (H) | Taggir | ng Required. Effective upon receipt of tags from the Commission, each licensee |
| 24 | , | | mplement the tagging requirement using only the tags provided by the Commission |
| 25 | | as foll | |
| 26 | | | All cervids born within a facility shall be tagged by March 1 following the |
| 27 | | \ | birthing season each year. |
| 28 | | (ii) | All cervids transferred to a facility shall be tagged within five days of the |
| 29 | | (11) | cervid's arrival at the licensee's facility. However, no cervids shall be |
| 30 | | | transported from one facility to another unless both sending and receiving herds |
| 31 | | | are certified according to 15A NCAC 10H .0304, or the sending herd is a |
| 32 | | | |
| | | | Certified herd and the receiving herd is a licensed facility. However, no cervids |
| 33 | | | shall be transported from one facility to another unless both sending and |
| 34 | <i>(</i> T) | A1. | receiving herds are certified according to 15A NCAC 10H .0304. |
| 35 | (I) | | eation for Tags. |
| 36 | | (i) | Application for tags for calves and fawns. Application for tags for cervids born |
| 37 | | | within a facility shall be made by the licensee by December 1 following the |

| 1 | | | birthing season of each year. The licensee shall provide the following |
|----|-----|---------|--|
| 2 | | | information, along with a statement and licensee's signature verifying that the |
| 3 | | | information is accurate: |
| 4 | | | (I) Applicant name, mailing address, and telephone number; |
| 5 | | | (II) Facility name and site address; |
| 6 | | | (III) Captivity license number; |
| 7 | | | (IV) Species of each cervid; and |
| 8 | | | (V) Birth year of each cervid. |
| 9 | | (ii) | Application for tags for cervids that were not born at the facility site shall be |
| 10 | | | made by written request for the appropriate number of tags along with the |
| 11 | | | licensee's application for transportation of the cervid, along with a statement and |
| 12 | | | licensee's signature verifying that the information is accurate. These tag |
| 13 | | | applications shall not be processed unless accompanied by a completed |
| 14 | | | application for transportation. However, no transportation permits shall be |
| 15 | | | issued nor shall cervids be transported from one facility to another unless both |
| 16 | | | sending and receiving herds are certified according to 15A NCAC 10H .0304. |
| 17 | | | or the sending herd is a Certified Herd and the receiving herd is a licensed |
| 18 | | | facility. 15A NCAC 10H .0304. |
| 19 | (J) | Placen | nent of Tags. |
| 20 | | (i) | A single button ear tag provided by the Commission shall be permanently |
| 21 | | | affixed by the licensee onto either the right or left ear of each cervid, provided |
| 22 | | | that the ear chosen to bear the button tag shall not also bear a bangle tag, so that |
| 23 | | | each ear of the cervid bears only one tag. |
| 24 | | (ii) | A single bangle ear tag provided by the Commission shall be permanently |
| 25 | | | affixed by the licensee onto the right or left ear of each cervid except Muntjac |
| 26 | | | deer, provided that the ear bearing the bangle tag does not also bear the button |
| 27 | | | tag, so that each ear of the cervid bears only one tag. Muntjac deer are not |
| 28 | | | required to be tagged with the bangle tag. |
| 29 | | (iii) | Once a tag is affixed in the manner required by this Rule, it shall not be |
| 30 | | | removed. |
| 31 | (K) | Report | ting Tags Requirement. For all cervids, except calves and fawns, the licensee shall |
| 32 | | submit | t a Cervidae Tagging Report within 30 days of receipt of the tags. Cervidae |
| 33 | | Taggir | ng Reports for calves and fawns shall be submitted by March 1 following the |
| 34 | | birthin | g season each year. A Cervidae Tagging Report shall provide the following |
| 35 | | inform | nation and be accompanied by a statement and licensee's signature verifying that the |
| 36 | | inform | nation is accurate: |
| 37 | | (i) | Licensee name, mailing address, and telephone number; |
| | | | |

| 2 (iii) Captivity license number; 3 (iv) Species and sex of each cervid; 4 (v) Tag number(s) for each cervid; and 5 (vi) Birth year of each cervid. 6 (L) Replacement of Tags. The Commission shall replace tags to shall extend the time within which a licensee shall tag or required to issue a replacement. 9 (i) Lost Tags. The loss of a tag shall be reported to the and application shall be made for a replacement of the and application shall be made for a replacement of the and application for a replacement shall include the interval of the | in which the site is located; |
|--|--|
| (v) Tag number(s) for each cervid; and (vi) Birth year of each cervid. (L) Replacement of Tags. | 1 | | investigation or other cause shall be continued notwithstanding the termination of the original |
|----|--------------------|---|
| 2 | | license. |
| 3 | (d) Nontransfer | rable. No license or permit or tag issued pursuant to this Rule is transferable, either as to the holder or |
| 4 | the site of a hold | ding facility, except as provided in Subparagraph (c)(7) of this Rule. |
| 5 | (e) Sale, Transf | Fer or Release of Captive Wildlife. |
| 6 | (1) | It is unlawful for any person to transfer or receive any wild animal or wild bird that is being held |
| 7 | | under a captivity permit issued under Paragraph (b) of this Rule, except that any such animal or |
| 8 | | bird may be surrendered to an agent of the Commission. This Subparagraph does not apply to |
| 9 | | persons holding cervids under a captivity permit. |
| 10 | (2) | It is unlawful for any person holding a captivity license issued under Paragraph (c) of this Rule to |
| 11 | | sell or transfer the animal or bird held under such license, except that such animal or bird may be |
| 12 | | surrendered to an agent of the Commission, and any such licensee may sell or transfer the animal |
| 13 | | or bird (except members of the family Cervidae) to another person who has obtained a license to |
| 14 | | hold it in captivity. For animals in the family Cervidae, sale or transfer of animals is allowed only |
| 15 | | between Certified Herds, as defined in 15A NCAC 10H .0304, or from a Certified Herd to a |
| 16 | | licensed facility. 15A NCAC 10H .0304. Upon such a sale or transfer, the seller or transferor shall |
| 17 | | obtain a receipt for the animal or bird showing the name, address, and license number of the buyer |
| 18 | | or transferee, a copy of which shall be provided to the Commission. |
| 19 | (3) | It is unlawful for any person to release into the wild for any purpose or allow to range free: |
| 20 | | (A) any species of deer, elk or other members of the family Cervidae, or |
| 21 | | (B) any wolf, coyote, or other non-indigenous member of the family Canidae, or |
| 22 | | (C) any member of the family Suidae. |
| 23 | (f) Transportati | on Permit. |
| 24 | (1) | Except as otherwise provided herein, no transportation permit is required to move any lawfully |
| 25 | | held wild animal or wild bird within the State. |
| 26 | (2) | No person shall transport black bear or Cervidae for any purpose without first obtaining a |
| 27 | | transportation permit from the Commission. |
| 28 | (3) | Except as provided in Subparagraph (f)(4) of this Rule, no transportation permits shall be issued |
| 29 | | for deer, elk, or other species in the family Cervidae except: except |
| 30 | | (A)into and between Certified Herds as defined in 15A NCAC 10H .0304.15A NCAC 10H |

| 32 | | (B) from a Certified Herd to a licensed facility. |
| 33 | (4) | Cervid Transportation. A permit to transport deer, elk, or other species in the family Cervidae |
| 34 | | may be issued by the Commission to an applicant for the purpose of transporting the animal or |
| 35 | | animals for export out of state, to a slaughterhouse for slaughter, from a Certified Herd to another |
| 36 | | Certified Herd as defined in 15A NCAC 10H .0304, from a Certified Herd to a licensed facility, |
| 37 | | 15A NCAC 10H .0304, or to a veterinary medical facility for treatment provided that the animal |
| | | |

| 1 | for which the per | rmit is issued does not exhibit clinical symptoms of Chronic Wasting Disease. No |
|----|--------------------|---|
| 2 | person shall tran | sport a cervid to slaughter or export out of state without bearing a copy of the |
| 3 | transportation pe | rmit issued by the Commission authorizing that transportation. No person shall |
| 4 | transport a cervic | for veterinary treatment without having obtained approval from the Commission |
| 5 | as provided by l | Part (f)(4)(D) of this Rule. Any person transporting a cervid shall present the |
| 6 | transportation pe | ermit to any law enforcement officer or any representative of the Commission |
| 7 | upon request, ex | cept that a person transporting a cervid by verbal authorization for veterinary |
| 8 | treatment shall p | rovide the name of the person who issued the approval to any law enforcement |
| 9 | officer or any rep | presentative of the Commission upon request. |
| 10 | (A) Slaughte | er. Application for a transportation permit for purpose of slaughter shall be |
| 11 | submitte | ed in writing to the Commission and shall include the following information along |
| 12 | with a si | tatement and applicant's signature verifying that the information is accurate: |
| 13 | (i) | Applicant name, mailing address, and telephone number; |
| 14 | (ii) | Facility site address; |
| 15 | (iii) | Captivity license number; |
| 16 | (iv) | Name, address, county and phone number of the slaughter house to which the |
| 17 | | cervid will be transported; |
| 18 | (v) | Vehicle or trailer license plate number and state of issuance of the vehicle or |
| 19 | | trailer used to transport the cervid; |
| 20 | (vi) | Name and location of the North Carolina Department of Agriculture Diagnostic |
| 21 | | lab where the head of the cervid is to be submitted for CWD testing; |
| 22 | (vii) | Date of transportation; |
| 23 | (viii) | Species and sex of each cervid; and |
| 24 | (ix) | Tag number(s) for each cervid. |
| 25 | (B) Exporta | tion. Nothing in this rule shall be construed to prohibit the lawful exportation of |
| 26 | a memb | er of the family Cervidae for sale out of state. Application for a transportation |
| 27 | permit | for purpose of exportation out of state shall be submitted in writing to the |
| 28 | Commis | ssion and shall include the following information along with a statement and |
| 29 | applicar | nt's signature verifying that the information is accurate: |
| 30 | (i) | Applicant's name, mailing address and telephone number; |
| 31 | (ii) | Facility site address; |
| 32 | (iii) | Captivity license number; |
| 33 | (iv) | Vehicle or trailer license plate number and state of issuance of the vehicle or |
| 34 | | trailer used to transport the cervid; |
| 35 | (v) | Name, site address, county, state and phone number of the destination facility to |
| 36 | | which the cervid is exported; |
| | | |

| 1 | | (vi) | A copy of the importation permit from the state of the destination facility that |
|----|-----|----------|--|
| 2 | | | names the destination facility to which the animal is to be exported; |
| 3 | | (vii) | Date of departure; |
| 4 | | (viii) | Species and sex of each cervid; and |
| 5 | | (ix) | Tag number(s) for each cervid. |
| 6 | (C) | Betwee | n herds. Application for a transportation permit for purpose of moving a cervid |
| 7 | | from o | ne Certified Herd to another Certified Herd, as defined in 15A NCAC 10H .0304, |
| 8 | | or from | a Certified Herd to a licensed facility, 15A NCAC 10H .0304, shall be submitted |
| 9 | | in writi | ing to the Commission and shall include the following information along with a |
| 10 | | stateme | ent and applicant's signature verifying that the information is accurate: |
| 11 | | (i) | Applicant's name, mailing address and telephone number; |
| 12 | | (ii) | Facility site address; |
| 13 | | (iii) | Captivity license number; |
| 14 | | (iv) | Vehicle or trailer license plate number and state of issuance of the vehicle or |
| 15 | | | trailer used to transport the cervid; |
| 16 | | (v) | Name, site address, county, and phone number of the destination facility to |
| 17 | | | which the cervid is moved; |
| 18 | | (vi) | Date of departure; |
| 19 | | (vii) | Species and sex of each cervid; and |
| 20 | | (viii) | Tag number(s)for each cervid. |
| 21 | (D) | Veterin | ary treatment. No approval shall be issued for transportation of a cervid to a |
| 22 | | veterina | ary clinic out of the state of North Carolina, or for transportation from a facility |
| 23 | | out of t | the state of North Carolina to a veterinary clinic in North Carolina. An applicant |
| 24 | | from a | North Carolina facility seeking to transport a cervid for veterinary treatment to a |
| 25 | | facility | within North Carolina shall contact the Wildlife Telecommunications Center or |
| 26 | | the Wil | Idlife Management Division of the Commission to obtain verbal authorization to |
| 27 | | transpo | rt the cervid to a specified veterinary clinic and to return the cervid to the facility. |
| 28 | | Verbal | approval to transport a cervid to a veterinary clinic shall authorize transport only |
| 29 | | to the | specified veterinary clinic and directly back to the facility, and shall not be |
| 30 | | constru | ed to permit intervening destinations. To obtain verbal authorization to transport, |
| 31 | | the app | plicant shall provide staff of the Commission the applicant's name and phone |
| 32 | | number | c, applicant's facility name, site address and phone number, the cervid species, sex |
| 33 | | and tag | numbers, and the name, address and phone number of the veterinary facility to |
| 34 | | which t | the cervid shall be transported. Within five days of transporting the cervid to the |
| 35 | | veterina | ary facility for treatment, the licensee shall provide the following information in |
| 36 | | writing | to the Commission, along with a statement and applicant's signature verifying that |
| 37 | | the info | ormation is correct: |
| | | | |

| 1 | | (i) | Applicant's name, mailing address and telephone number; |
|----|-------------------|-----------------------------|--|
| 2 | | (ii) | Facility name and site address; |
| 3 | | (iii) | Captivity license number; |
| 4 | | (iv) | Vehicle or trailer license plate number and state of issuance of the vehicle or |
| 5 | | | trailer used to transport the cervid; |
| 6 | | (v) | Date of transportation; |
| 7 | | (vi) | Species and sex of each cervid; |
| 8 | | (vii) | Tag number(s) for each cervid; |
| 9 | | (viii) | Name, address and phone number of the veterinarian and clinic that treated the |
| 10 | | | cervid; |
| 11 | | (ix) | Symptoms for which cervid received treatment; and |
| 12 | | (x) | Diagnosis of veterinarian who treated the cervid. |
| 13 | (g) Slaughter a | at cervid facility. | Application for a permit for purpose of slaughter at the cervid facility shall be |
| 14 | submitted in wr | riting to the Com | mission and shall include the following information along with a statement and |
| 15 | applicant's signa | ture verifying that | the information is accurate: |
| 16 | (1) | Applicant name, | mailing address, and telephone number; |
| 17 | (2) | Facility site add | ress; |
| 18 | (3) | Captivity license | e number; |
| 19 | (4) | Name and locat | tion of the North Carolina Department of Agriculture Diagnostic lab where the |
| 20 | | head of the cerv | id is to be submitted for CWD testing; |
| 21 | (5) | Date of slaughte | r; |
| 22 | (6) | Species and sex | of each cervid; and |
| 23 | (7) | Tag number(s) f | or each cervid. |
| 24 | Permits or author | orization may not | be sold or traded by the licensee to any individual for the hunting or collection of |
| 25 | captive cervids. | Only the licensee | may kill a cervid within the cervid enclosure. |
| 26 | (h) As used in t | this Rule, Certifie | d Herd means a captive cervid herd certified in North Carolina according to the |
| 27 | procedure set for | rth rule 10H .0304 | of this Section available to North Carolina licensees only. |
