

Keep North Carolina Wild

N.C. Wildlife Resources Commission

You can keep North Carolina wild by donating to the **Nongame and Endangered Wildlife Fund**. This fund supports projects conducted by the Wildlife Diversity Program (formerly the Nongame and Endangered Wildlife Program) that help protect North Carolina's wildlife and their habitats.

Donations are matched by federal money so your donation today counts twice. All donations are tax deductible.

To make a direct donation for conservation of North Carolina's wildlife and their habitats, send this form along with a check or money order, made payable to the N.C. Wildlife Resources Commission. On the memo line, please write Nongame and Endangered Wildlife Fund. If you wish, indicate whether this donation is in honor of or in memory of someone.
