End Date: 5/11/2019 12:00 PM

Do you enjoy listening to birds in the morning? Come learn how to identify common backyard birds by their calls and songs. We'll start in the classroom with some listening quiz games and then move outside to put our skills to the test. Come prepared for light hiking outside. Ages 10 and up. No younger siblings please because silence and patience is imperative when birding by ear.
