Start Date: 12/2/2020 12:00 AM

End Date: 12/7/2020 11:59 PM

Address:

4100 B Reedy Creek Road

Raleigh, NC NC-27607

Phone: 919-707-0170

Email: track.chairs@ncwildlife.org

Are you a sportsman or sportswoman with a mobility impairment who would like to participate in organized wildlife recreation events? The N.C. Wildlife Resources Commission offers track chairs that can help you get back into the hunt.

The track chairs, which were supplied by the N.C. Legislative Sportsmen's Caucus, the Commission and other donors, are equipped with rubberized tracks instead of wheels and two 12-volt batteries, allowing the user to overcome many types of terrain for up to six hours. Each chair is outfitted with a fishing rod and long gun holder, providing greater access to hunting, shooting, angling and wildlife-watching opportunities for persons with disabilities.

Please use this application to reserve the track chairs for your organized event.

Very Important:

This application form must be filled out completely, submitted and approved prior to using the track chair trailer.

Applicants must:

Represent a qualifying organization (public agency, non-profit/charitable organization or organized hunt club).

Acknowledge the track chair use liability waiver, which includes a statement (below) on responsibility for
