**End Date: 7/19/2019 2:30 PM**

Biologist Training: Orienteering ? Ages 7+ ? 1 hour

Being a field biologist sometimes means traversing through rough terrain with nothing but a map and compass to help find your way. Join this biologist skill session to learn the basics of orienteering and complete a map and compass challenge course.

Attend 3 of the 5 Biologist in Training classes to earn a field notebook and Biologist-In-Training certificate.

For reservations, book online or call 252.453.0221 ex. 1.
