FREE Pistol Lane Reservation

Our top priority is to assure we are doing all we can to align our services and programs in a manner that first and foremost addresses public health risks. The N.C. Wildlife Resources Commission has been working diligently to identify all actions that may reduce transmission of the virus. Among the important strategies to reduce exposure is to reduce face-to-face contact, require face coverings, and to apply the concept of social distancing.

By requiring participants to reserve a pistol lane we are able to provide some social distance and limit the number of people within the building.

On-line reservations are required, space is limited and shooting times are limited to 60 min. (** See registration instructions below “before” attempting registration).

NOTE: Participants 12-17 years of age must have a waiver from a legal parent / guardian to attend. No one under the age of 12 is permitted to shoot.
