

Intermediate Fly-Fishing Workshop - February 13th, 2021

Start Date: 2/13/2021 9:00 AM

End Date: 2/13/2021 3:00 PM

This clinic will take students beyond the basics and introduce them using the line-hand, false casting, casting on all planes, and shooting line. Our trained cadre of volunteers provide students with instruction based on the Joan Wulff method of instruction. Students will also participate in exercises to develop proper power application and casting accuracy.

Because, this course is based on the Wulff method used in our basic classes, students for this clinic must have completed our Level I Fishing Course or the Beginning Fly-casting Workshop to register.

This course is suitable for participants 13 years old and older. However, students 15 years old and younger must be accompanied by an adult.

Registration for classes at the Pechmann Fishing Education Center will begin 45 days prior to the event date. This course is free of charge and will be limited to the first 20 people. Check-in will begin at 8:30am with instruction beginning at 9:00am.

If you have any questions about this course, please contact Tom Carpenter at thomas.carpenter@ncwildlife.org or 910.868.5003 ext. 11
