

Virtual Fly-tying Forum February 25th, 2021

Start Date: 2/25/2021 6:30 PM

End Date: 2/25/2021 8:30 PM

This is our regularly scheduled online fly-tying program that takes place on the 4th Thursday of each month. The Fly-tying Forum provides tyers with an opportunity to increase their skills. Open to fly-tiers of all skill levels, the fly patterns change each month as a way to encourage learning various new tying techniques and development of tying skills. This month we will tie two smaller midge patterns, the 'Reaper Midge' and the 'Smoke Jumper' Participants registered for this program will be responsible for supplying their own materials, or picking them up at the Pechmann Center's drop box .
