

# Virtual Fly-tying Forum - May 27, 2021

**Start Date: 5/27/2021 6:30 PM**

**End Date: 5/27/2021 8:30 PM**

This is our regularly scheduled online fly-tying program that takes place on the 4<sup>th</sup> Thursday of each month. The Fly-tying Forum provides tyers with an opportunity to increase their skills. Open to fly-tiers of all skill levels, the fly patterns change each month as a way to encourage learning various new tying techniques and development of tying skills. This month we will be tying the Stealth Bomber and the Panfish Gurgler, both of these are foam patterns move lots of water, attracting waiting bass and bluegill to the surface for big strikes. Participants registered for this program will be responsible for supplying their own materials, or picking them up at the Pechmann Center's drop box .
