End Date: 2/16/2021 11:00 AM

Raising Trout

Animal life cycles can be unique and fascinating. Join us for this virtual program as we learn about the trout raised at the Bobby N. Setzer State Fish Hatchery with a focus on the trout life cycle. Ages 5-12.

This program will take place entirely virtually.

You will be sent a ZOOM registration link for the program a few days prior to the date of the program.
