End Date: 4/7/2021 8:00 PM

Getting into fly fishing can be a daunting task, especially with loads of new terms, lures, tackle.... and don't get me started on the price tags. In this course, we'll discuss differences in the essential tackle and make recommendations for your purchases to help make sense of it all and maybe even save you a few dollars, along the way. Topics covered include:

Selecting a Fly Rod/Reel

Decoding Fly Line Acronyms/Line Types

Understanding the Balance System

Maintaining Your Equipment

How To Select a Fly

Understanding Fly Fishing Tackle

Equipment Must-haves for the River
