Basic Fishing Knots and Rigging - July 1st, 2021

Start Date: 7/1/2021 6:30 PM

End Date: 7/1/2021 8:00 PM

Don’t know the difference between a Texas rig and a Carolina rig? Join staff and volunteer instructors of the Pechmann Center for this in this hands-on 1.5-hour workshop, you will discover and practice the basic knots and rigging techniques every successful angler should know to catch fish with various natural and artificial baits. Topics include knots for monofilament and braided line, fresh and saltwater bait fishing rigs, hooks, bobbers, weights, soft plastic rigs, presentation, and more. The program is limited to ages 13 and up.
