

# **A Bear Goes Fishing Adventure -October 16th, 2021 2:00pm**

**Start Date: 10/16/2021 2:00 PM**

**End Date: 10/16/2021 5:00 PM**

This program is designed to meet the requirements for the Bear Elective Adventure: A Bear Goes Fishing. Scouts will learn about three types of fish, about local regulations, and about different types of fishing equipment. Then they have a chance to put to practice the things that they have learned by fishing in the Pechmann Center's stocked ponds.

All materials and equipment will be provided by the Pechmann Fishing Education Center. Due to limited space, this program is limited to scouts that are actively enrolled in a Bear den.
