

Intro to Fly Fishing 10-5-21

Start Date: 10/5/2021 9:00 AM

End Date: 10/5/2021 12:00 PM

This class is perfect for those just wanting to learn the basics of fly-fishing. After completing this class you will have a better understanding of gear selection, knot tying & have experience casting. Equipment and materials provided. After completing this class, we recommend you take one of our On the Water programs to gain some valuable time fishing in the river with a fishing mentor. Fishing is not part of this class. Must be physically able to hike short distances in uneven terrain. Limited to 6 participants. Ages 12 and up. You can purchase a license by visiting ncwildlife.org or via phone at (888) 248-6834. This program will take place at Lake Imaging in Dupont State Recreational Forest. Lake Imaging parking lot is off Staton Road.
