

Fly Fishing Basics: Understanding & Selecting Fly-Fishing Equipment (Virtual)

Start Date: 1/7/2022 6:30 PM

End Date: 1/7/2022 8:30 PM

We get it, getting started fly-fishing can be daunting! There's the lingo, flies, and other equipment that can be alien to you at times. At the John E. Pechmann Fishing education Center, We'll help make sense of it all and maybe save you some money along the way.

Topics covered include:

- Selecting a rod and reel
- Decoding fly-line acronyms/line types
- Understanding a balanced system
- Maintaining your equipment
- 'Matching the hatch'
- Fly-fishing tackle
- Equipment must haves on the water.

This virtual program is highly recommended for anyone registered for the 'Beginning Fly-Fishing Workshop'.
