

# The Fish of a Thousand Casts-Musky Fishing Seminar -Jan. 26th, 2022 (Virtual)

**Start Date: 1/26/2022 6:30 PM**

**End Date: 1/26/2022 8:00 PM**

Can you rise to the challenge of the fish of a thousand casts? Find out in this exciting seminar hosted by the Pechmann Fishing Education Center.

Tim Boyer and Ryan Bednar, both members of the Western North Carolina Musky Club, will provide tips and tactics helpful in the pursuit of muskellunge – aka -musky on the French Broad River in this virtual seminar. Tim will provide detailed information using traditional rod and reel set-ups.

Ryan will discuss equipment needs and fly selections for the fly-angler. Additional discussion will include release tools, nets, and other boating items needed for a successful outing.
