# Beginning Fly-tying Workshop - Pechmann - December 5th-7th, 2022

**Start Date: 12/5/2022 6:30 PM**

**End Date: 12/7/2022 9:00 PM**

This program will take place at the John E. Pechmann Fishing Education Center at 7489 Raeford Road, Fayetteville, NC 28304.

This Fly-tying Course is designed to provide the student with a basic knowledge of fly tying tools, materials, patterns, and tying techniques. We teach the course in progression beginning with simple fly patterns and steadily advance toward more complex flies allowing the students to build on their skills. In this course, students will complete 6 fly patterns over the course of three evenings.

In order to assure that each student receives proper instruction, this course is limited to 25participants. All tools and materials are provided. In addition, participants will receive a Fly-tying Handbook that provides them with reference to the patterns tied in class.

This course is suitable for ages 10years old and older. However, participants 10-15 years old must be accompanied by an adult.

This workshop will be taught over a series of three consecutive evenings from 6:30pm until 9:00pm, each night.
