The Foreign Language of Nymphing - Virtual - January 27th, 2023

Start Date: 1/27/2023 6:00 PM

End Date: 1/27/2023 8:00 PM

This program will be held virtually on Microsoft Teams.

Nymphing is the 'can't go wrong' choice when it comes to any style of fly-fishing, yet there are so many ways to approach this style that many anglers need help deciphering the "language". The Fishing and Aquatic Education Team has developed a program to help YOU become a confident nymph-slinging angler.

You'll learn:

How to "Match the Hatch" for nymphing Styles and techniques of nymphing from around the world Gear and rigging for nymphing How to make your own nymphing rig
