

Fly-Fishing Basics: Creating Hand Tied Leaders - Marion - June 22, 2023

Start Date: 1/31/2023 6:00 PM

End Date: 1/31/2023 8:30 PM

This program will take place at the Marion State Fish Hatchery 645 Fish Hatchery Rd. Marion, NC 28752

Match your precise fishing conditions and the species you're targeting by tying your own leaders! In this workshop, we'll cover material selection, knots, tools and formulas for creating leaders for nymphing and dry fly fishing. Hand-tied leaders are yet another aspect of fly-fishing that will draw you deeper into the sport and prove to be time well invested.

The North Carolina Wildlife Resources Commission is providing this workshop free of charge with all materials included.
