

Fly Fishing Basics: Wading Safety & Etiquette - Virtual - February 2nd, 2023

Start Date: 2/2/2023 6:00 PM

End Date: 2/2/2023 7:30 PM

Falling and filling your waders with cold river water is a terrible way to end a great day of fly-fishing, so let's talk wading safety and stream etiquette to maximize your experience on the water.

Between crowds and potentially dangerous river conditions, there's a lot to think about to achieve a safe and memorable experience. In this program, we'll discuss common etiquette fly anglers share with one another and how to stay safe while wading in different conditions.
