

# Winter Trout Stocking Schedule

The N.C. Wildlife Resources Commission is expanding seasonal angling opportunities by stocking surplus trout in select impoundments across central and western North Carolina this month. The following regulations apply:

- Seven (7) trout per day creel limit.
- No minimum length limit.
- No bait restrictions.
- Trout may be harvested year-round.
- Basic state fishing license required.

The list below is sorted by county and includes the stocking dates.
