• Bonus Antlerless Harvest Report Cards allow for the harvest of two additional antlerless deer per card. These are ONLY valid for use for deer taken within participating municipalities during the Urban Archery Season (described on pages 63-64). Unlimited Bonus Antlerless Harvest Report Cards are available to each hunter. Bonus Antlerless Harvest Report Cards can be obtained on or after Jan. 1 at most wildlife service agents, or online at ncwildlife.org or by calling 888-248-6834.

• Antlerless deer harvested under the Deer Management Assistance Program (DMAP) and tagged with harvest tags provided with the program are not included in normal statewide bag limits.

**Urban Archery Season**

Archery only: Jan. 11 – Feb. 16, 2020

Information for Hunters
• The intention of the Urban Archery Season is to enable cities, towns and villages to reduce urban deer populations through increased hunter opportunity. Hunting during the Urban Archery Season is allowed ONLY in participating municipalities.
• Each city, town and village will decide if hunting is allowed on public property and restrictions, if any, for hunting on private property within the city, town and village limits.
• Hunters wishing to hunt in an area participating in the Urban Archery Season should call the participating city, town or village or visit its website to obtain a map showing lawful areas to hunt and additional information on specific restrictions that may apply to each area.
• The Urban Archery Season does not obligate private landowners to allow hunting on their property, nor does it eliminate the ethical requirement for obtaining permission from the landowner before hunting. Hunters are legally required to obtain written permission to hunt on posted property.
• Season bag and possession limits for both antlerless and antlered deer, including Bonus Antlerless Harvest Report Cards, that apply to the general archery, blackpowder, and gun deer seasons also apply to the Urban Archery Season.
• Deer of either sex may be harvested in participating areas during the Urban Archery Season.
