Tour the Wildlife Gallery

Explore coastal North Carolina's wildlife, natural history and cultural heritage in our 5,000 square foot gallery.

- ✦ 8,000 gallon aquarium stocked with native fish from the Currituck Sound
- ✦ world-class decoy gallery with more than 250 antique waterfowl decoys
- ✦ life-size diorama of a duck blind in a salt marsh
- ✦ exhibit scavenger hunt for grades 2–8 to guide your discovery

Allow time to visit the Wild Store. Space is tight, so please rotate students through no more than 10 at a time with adequate adult supervision.

While you're here, enjoy a tour of the Currituck Beach Lighthouse and the Whalehead Club. All three facilities are located on the beautiful grounds of Currituck Heritage Park. Large groups often choose to divide into smaller groups and visit each site in rotation. Group leaders must arrange visits separately with each facility. Small groups may also consider visiting the Corolla Wild Horse Museum in the nearby historic village of Corolla.

Groups that visit Currituck Heritage Park at the lunch hour are encouraged to bring a picnic lunch and enjoy picnic spots in both sun and shade. Food service is not available, but a picnic shelter may be reserved by contacting the Whalehead Club.
