Lifetime License Holders: How to Request Seasonal Information

- 1. Log into your <u>Go Outdoors North Carolina account</u> using your date of birth, last name and WRC ID.
- 2. At the top of the screen click on the "Buy Licenses" tile.

3. You will see your "Seasonal Privileges" items listed. Select "Add To Cart" for each of the items you need for the upcoming season. Those with lifetime fishing only privileges will not see the hunting related items. If you are interested in purchasing the durable license card, be sure to select the one for lifetime license holders.

7. Finally, you'll have the option to print the order confirmation page and print or download your license items if you so choose. It is not necessary that you print your license information as you are no longer required to carry a paper license or big game harvest report card if you have access to the electronic or digital version of your license and privilege licenses. This would be the PDF version of your license(s) attached to your GONC email confirmation or you can obtain this information by logging into your <u>GONC account</u> or utilizing the mobile app.

The NCWRC will no longer mail paper copies of licenses or big game report cards to license holders.
