APPLICATION

Game Lands Access and Research Permit

Application and research proposal must be submitted at least 60 days in advance of the requested start date. If an application and proposal are submitted less than 60 days in advance of the requested start date, WRC cannot guarantee the application will be processed by the requested start date.

Part V: Research

To conduct research on North Carolina Game Lands, individuals must submit a research proposal with this application, in hard copy or via email, at least six months prior to the start date of research activities. Applicants must also include their experience and/or qualifications to ensure the use of proper collection and handling methods. Please use the following checklist to make sure all items are addressed or included in the proposal:

- | | | |
|---|--|--|
| <input type="checkbox"/> Abstract | <input type="checkbox"/> Background | <input type="checkbox"/> Justification/need |
| <input type="checkbox"/> Objectives/hypotheses | <input type="checkbox"/> Study design | <input type="checkbox"/> Study area* |
| <input type="checkbox"/> Sampling period | <input type="checkbox"/> Sample size | <input type="checkbox"/> Collection methods |
| <input type="checkbox"/> Data analysis methods | <input type="checkbox"/> Project time line | <input type="checkbox"/> Budget (draft or final) |
| <input type="checkbox"/> Expected benefits or results | <input type="checkbox"/> Literature review | <input type="checkbox"/> Experience/qualifications |

*The proposal must include a detailed map delineating the external boundaries of the study area and indicate specific collection sites within those boundaries.

Part VI: NC Wildlife Commission Involvement

Will any aspect of the research requires direct involvement by the Commission? Yes No

If yes, please check all that apply:

- | | |
|--|---|
| <input type="checkbox"/> Collection activities or implementation | <input type="checkbox"/> Assessment of land management techniques |
| <input type="checkbox"/> Publication or review of manuscript(s) | <input type="checkbox"/> Land management on game lands |
| <input type="checkbox"/> Study design or data analysis | <input type="checkbox"/> Project funding or budget analysis |
| | <input type="checkbox"/> Technical guidance |

I verify that all information contained in this application is accurate and truthful, and that I have the authority to authorize this research project.
