

APPLICATION

Scientific Fish Collection License

- New Application
 Renewal Application

Part I: Applicant Information

Applicant's Name _____ Telephone # () _____
 (Last) (First) (M. Initial)

Physical Address _____
 (Street) (City) (State) (Zip Code)

Job Title _____ (Website) _____

Organization Affiliation _____ (County) _____ (Email) _____

Mailing Address (if different from above) _____
 (Street) (City) (State) (Zip Code)

Date of Birth (required) _____ Driver's License #, State _____

Other individual assisting with permit activities (list all): _____

Part II: Educational Experience

Fields of Study _____ (Education/Degrees) _____

Professional Certification _____

Professional Experience _____

Part III: Research

To conduct research on fish in North Carolina, individuals must submit a research proposal with this application, in hard copy or via email, at least two months prior to the start date of research activities. Applicants must also include their experience and/or qualifications to ensure the use of proper collection and handling methods. Please use the following checklist to make sure all items are addressed or included in the proposal:

- | | | |
|---|--|--|
| <input type="checkbox"/> Abstract | <input type="checkbox"/> Background | <input type="checkbox"/> Justification/need |
| <input type="checkbox"/> Objectives/hypotheses | <input type="checkbox"/> Study design | <input type="checkbox"/> Study area* |
| <input type="checkbox"/> Sampling period | <input type="checkbox"/> Sample size | <input type="checkbox"/> Collection methods |
| <input type="checkbox"/> Data analysis methods | <input type="checkbox"/> Project time line | <input type="checkbox"/> Budget (draft or final) |
| <input type="checkbox"/> Expected benefits or results | <input type="checkbox"/> Literature review | <input type="checkbox"/> Experience/qualifications |

*The proposal must include a detailed map delineating the external boundaries of the study area and indicate specific collection sites within those boundaries.

Requested Start Date _____

Assistants _____

I hereby certify that all information contained herein is accurate and truthful to the best of my knowledge. I have read and understand the rules and statutes pertaining to the collection of fish in North Carolina, under 15A NCAC 10C .0214, G.S. § 113-261, 113-262, and 113-272.4, and agree to abide by these regulations. I understand that if I am issued a Scientific Fish Collection License I will be responsible for the humane and ethical treatment of all fish obtained under that license and that additional state licenses may be required for captivity. I also understand that the Commission may revoke my license at any time and confiscate all fish in my possession should I violate any of these regulations or the conditions listed on my license

It is the duty of the applicant to ensure that they are in compliance with all applicable local, state, and federal laws prior to submitting this application.
