NORTH CAROLINA WILDLIFE RESOURCES COMMISSION
FALCONRY SPONSOR’S REPORT ON APPRENTICE FALCONER

Apprentice Name

Falconry License Number

Address

Telephone Number

The following requirements must be met and certified by the Sponsor of the Apprentice and another General or Master Class falconer before the Apprentice may be advanced to the general Class Falconer [15A NCAC 10H .0807 (b)(2)].

REQUIREMENTS

1.- Owns all necessary falconry equipment and understands its use. ☐ ☐

2.- Has successfully trapped one or more raptors. ☐ ☐

3.- Has properly maintained the housing facilities and the health and well-being of the falconry birds. ☐ ☐

4.- Has properly manned the raptor, training the bird to:
   --- sit calmly on the fist. ☐ ☐
   --- follow in the field. ☐ ☐
   --- fly to the fist when called. ☐ ☐

5.- Understands falconry and hunting regulations and obeys them. ☐ ☐

6.- Understands the responsibility of being a falconer both with the bird and with the public. ☐ ☐

We have witnessed all of the above requirements and know that our assessment of the Apprentice’s skills and knowledge is honest and that the Apprentice is qualified to become a General Class Falconer.
