Trout Fishing on the Blue Ridge Parkway Angling opportunities on the Blue Ridge Parkway are managed by the National Park Service which establishes fishing regulations for parkway waters. The Wildlife Resources Commission aides with management by stocking catchable-size trout into the following waters:

County	Water
Alleghany	Brush Creek
Alleghany	Big Pine Creek
Alleghany	Meadow Fork
Avery	Linville River
Buncombe	Swannanoa River
Watauga	Price Lake

Specific fishing regulations are displayed on signs located near fishing access points, and all persons age 16 or older must possess a valid North Carolina or Virginia fishing license to fish parkway waters. In addition, the parkway provides wild and catch-and-release trout fishing, as well as, angling for bass and sunfish.

For more information on fishing in parkway waters, contact: Blue Ridge Parkway, 199 Hemphill Knob Road, Asheville, NC 28803. Telephone: 828-271-4779, or at their website: <http://www.nps.gov/blri/parkmgmt/lawsandpolicies.htm>.

AQUATIC HITCHHIKERS!

CLEAN AND DRY ANYTHING THAT COMES INTO CONTACT WITH WATER

Invasive aquatic plants, such as hydrilla and giant salvinia; exotic mussels, such as zebra and quagga mussels; and even algae, like didymo or rock snot, can hitch a ride on fishing and boating gear. Once established, they cause extensive damage to aquatic systems.

We need your help to prevent the spread of nuisance species.

When you leave a body of water:

- Remove any visible mud, plants, fish or animals before transporting equipment.
- Eliminate water from equipment before transporting.
- Clean and dry anything that comes into contact with water (boats, trailers, equipment, clothing, dogs, etc.).
- Never release plants, fish or animals into a body of water unless they came out of that body of water.
