

# 2023 Volunteer Schedule

Establishing aquatic vegetation in reservoirs involves building fence and planting native vegetation in up to waist deep water. Aquatic vegetation provides great habitat for fish and wildlife and improves angling success. Plus, it's a great way to cool off for the summer. Below is a list of volunteer opportunities. It is important that you contact the project leader prior to workdays so they can plan appropriately.

May 25 – 26: Graham – Mebane Lake aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053

May 30 - June 1: Tuckertown Reservoir aquatic vegetation establishment  
Contact: Troy Thompson, [troy.thompson@ncwildlife.org](mailto:troy.thompson@ncwildlife.org), 910-439-2006

June 5 – 8: Harris Lake aquatic vegetation establishment  
Contact: David Belkoski, [david.belkoski@ncwildlife.org](mailto:david.belkoski@ncwildlife.org), 910-580-2288

June 12 – 15: Lake Gaston aquatic vegetation establishment  
Contact: Wally Sayko, Lake Gaston Association, [wasay1943@gmail.com](mailto:wasay1943@gmail.com)

June 26 – 29: Graham – Mebane Lake aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053

July 11 – 14: District 5 reservoirs; TBD - aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053

July 17 – 21: Harris Lake aquatic vegetation establishment  
Contact: David Belkoski, [david.belkoski@ncwildlife.org](mailto:david.belkoski@ncwildlife.org), 910-580-2288

July 24 – 27: Graham – Mebane Lake aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053

August 7 - 9<sup>th</sup>: Graham – Mebane Lake aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053

August 14 – 17: Harris Lake aquatic vegetation establishment  
Contact: David Belkoski, [david.belkoski@ncwildlife.org](mailto:david.belkoski@ncwildlife.org), 910-580-2288

August 21 – 22: Graham – Mebane Lake aquatic vegetation establishment  
Contact: Seth Mycko, [seth.mycko@ncwildlife.org](mailto:seth.mycko@ncwildlife.org), 336-290-0053
